Where is his son?

He's being interrogated

But he isn't saying much... All he says is he doesn't know...

Hmm...

I'm getting a weird vibe.

Roken... He didn't really seem to have any idea.

Perhaps, he ~~son~~ acted on his own?

That coward? Not possible.

Then why... are we questioning him, sir?

It still doesn't change the fact that he was with her during her last moments.

I personally don't care about his motive behind the murder.

As long as I can use this to destroy House Roken...

SHUT UP!!

What was that?

Leave him be. Roken must be going berserk in there.

Is this really ok? I mean he's a noble nevertheless...

He may be a noble, but a fallen one.

Even among nobles, they discard him.

From what I heard, he's from a powerful noble family... Ah.

I've come to see Roken.

Ugh...

Get away from me!!

...It has been many years.

You never fail to disappoint me.

Seeing you locked up like this...

After failing to overpower a merchant.

This could have been your chance to return...

Don't make me laugh!

Do you think I don't know that you're playing with me?!

If you had any intention of taking me back in the family, you would've done so a long time ago!

Why would you wait until now?!

She has aged and has gotten soft.

So, yes, you had your chance.

But seeing you like this, I see there's no point.

Don't make me laugh! I'm not falling for that anymore!

Unless she has gone insane, she would never take me back!

Don't make laugh... Now...?

After all the years...

Anna...?

They told me that you died...
